May I please see the name files (and any other material on) on these people:

Cassisi, Peter
Koch, John Koch
Felde, Allen
Benton, Sam
Hassem, Earl J., Jr. *
Lauchli, Richard L.
Goodwin, Donald
Folkerts, Ralph
Quinn, Rosaleen
Soto Vasquez, Antonio
Alvarez Jiminez, Miguel
Espinosa Hernandez, Victor Dominador
Amores, Avelo Pedros
Hernandez Sanches, Carlos Eduardo

In the case of the Latin names, I'd appreciate a check of any that might be the last name, for the chances of confusion here are great.

Thank you.
